

"PUBLIC EXPERIMENT ON BUS OPERATION"

MONIVONG BLVD - PHNOM PENH
Feb 05 - Mar 04, 2014.

What is a Public Experiment?

A public experiment is the act of testing a transport measure – City Bus Operation. This will have a great impact on civil society as it contributes to better public service when it is actually implemented.

Ride something new this Feb!

Bus Fleet During experiment One-door bus Actual operation Two-door bus

Where will the bus run?
