Drama, Puppet Show

Fish Conservation

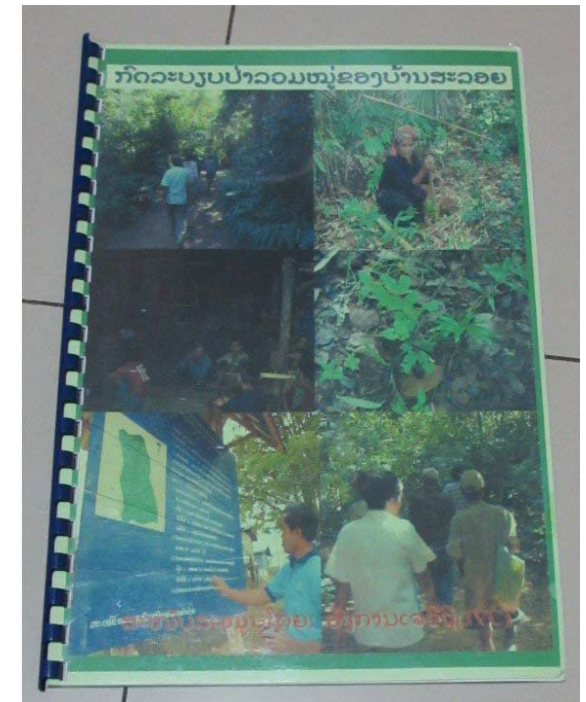

Purpose to set up Community Forestry

- To protect rights on land/forest
 - For food security
 - To protect precious species
- * Not yet for the stage to do income generation
- * SVK is the place that concession is rapidly increasing and the speed for proceeding is important

Activity steps for setting up Community Forestry

1. bring villagers to study-tour
2. discuss about the area to make CF
3. mapping with GPS
4. villagers make rules by themselves to manage CF
5. get approval from district officials
- (6. select Forestry Volunteer)

What rights can we get?!

(By JVC local staffs)

| Case | CLT | Community Forestry supported by JVC | No Resigtration |
|-------------------------|-------------------------|-------------------------------------|----------------------------|
| Tenure | Land belongs to village | Land belongs to government | Land belongs to government |
| Power to make objection | Possible | Impossible | Impossible |
| Compensation | Can have | Can have | No compensation |
